**Note: While we do not set pricing, we ask resellers to be mindful of the impact of their pricing strategies on brand reputation and consumer perception.*

2. Discounts, Promotions, and Pricing Transparency:

Myst Enterprise Ltd. encourages resellers to offer promotions and discounts in a manner that aligns with fair competition and protects the integrity of the BlackMOA™ brand. While we do not mandate approval for promotional activities, we strongly suggest that resellers keep the following principles in mind:

- **Transparency:** Promotions and discounts should be clear, transparent, and consistent with market standards.
- **Brand Alignment:** Any promotional activity should reflect the quality and value of the product to ensure the BlackMOA™ brand is positioned fairly in the marketplace.

Resellers are not required to obtain approval for discounts or promotional activities but should act in good faith to maintain fair competition.
